Helping Teachers During the COVID 19 Pandemic

(Taken from The Louisiana *Deltion*)

Classroom teacher, regardless of their years of experience need the support of Delta Kappa Gamma member more than ever. Perhaps we should look at these suggestions and show our classroom teachers our love and support.

- ◆ Write encouraging notes.
- ◆ Consider asking the chapter's "resident poet" to write a short poem to thank the teachers for their service.
- ◆ Food is always a good choice! Perhaps a piece of candy or a couple of other treats could be attached to a note.
- ◆ Post signs of thanks and encouragement along the school driveway and/or in the school hallways.
- ◆ In our small community, perhaps the chapter could put an ad in the local paper to thank teachers for their dedication.

Any action which a chapter takes to achieve the goal of support and love would be well received.
